YORK THANKS WAYNE BUE FOR HIS MANY YEARS OF SERVICE

The town would like to extend a big THANK YOU to our long-time patrolman, Wayne Bue, who has retired from the position in September. Wayne first started plowing and fixing back in 2000, then off a bit, but we needed him and he returned. Through all sorts of weather, Wayne was there to cut up fallen trees, clear ditches, plow snow, and fix and maintain equipment. We are so glad you were there for us, Wayne! Best wishes for a happy retirement.

Above and right: Wayne Bue receives a special thank you from the Town Board at the October 2022 board meeting. This painting was made by Chuck Bauer, York resident. *York Town Hall*, oil over acrylic on canvas, 14"×18". Chuck specializes in painting buildings; see more of his work at ctbauer.com
